FREE 6-LESSON FRENCH COURSE

ALSO FREE SIX-LESSON SPANISH COURSE

Commencing Tuesday, November 13th

The great GORDON-DETWILER INSTITUTE will give only one more of its wonderful free six-lesson French course this season. Also, it will give only one more of its justly celebrated free six-lesson Spanish course this season. If you would benefit by one of these exceptional courses, which have been attended already this season by over ten thousand progressive New York business men and business women, you must avail yourself of this last opportunity.

On Tuesday, Nov. 13th, this last free six-lesson conversational French course will open under the celebrated Gordon-DeWiler professors in Gordon-DeWiler Auditorium, atop Tribune Building, 154 Nassau Street, just opposite City Hall Park. There will be lessons on Tuesday and Thursday of each week, and you may attend at 10:15 A. M., or 12:15, or 2:15, or 3:15, or 5:15, or 7:15, or 8:15 P. M., as best suits your convenience.

On Tuesday, Nov. 13th, the last free six-lesson Spanish course will open, also in Gordon-DeWiler Auditorium, and you may attend at 11:15 A. M., or 1:15, or 4:15, or 6:15 P. M. Class also meets on Tuesday and Thursday.

These special courses will be exactly like our former free courses, to which tickets were distributed by the EVENING GLOBE. Our remarkable system eliminates syntax and dry rules of grammar, and at the end of six lessons you should have a vocabulary of about three hundred words, one hundred idioms in everyday use, and be able to engage in simple conversation.

The lessons are all entirely free. Your only cost will be for a cloth-bound copy of the 200-page Justice B. Detwiler Instructor, which sells in book stores for \$1.50, but which will be sold to you in class room for the reduced price of \$1.00. No money will be admitted on these free tickets.

The ticket supply will not last long; therefore, to avoid disappointment, call to-day at Gordon-DeWiler Institute and get yours. There is no formality to go through, nor any obligation. Just call and get the ticket. No questions what, ever will be asked you. If unable to call in person then write for ticket enclosing self-addressed stamped envelope and the next it will bring your ticket to you. Address your letter to

SINN FEIN ROUNDUP HERE MAY FOLLOW PRIEST'S SENTENCE

Seizure of Father Daly in London Declared to Have Revealed Alleged Plotters.

Federal authorities were deeply interested to-day in news from London of the sentencing to three months in prison for Sinn Fein activities of an American priest known as Father Michael Daly. While none of the authorities engaged in investigating the activities of alleged Sinn Fein sympathizers in this city—some of them men well known locally who were mentioned in the letters taken from Thomas Welch—will discuss the matter, it is understood that one of the most active emissaries between the leaders of the Irish organization and their representatives here was a man who posed as a priest.

This bogus clergyman, known in local Sinn Fein circles as "Sogarth aroon," meaning "patriotic priest" in Gaelic, used a clerical garb as an aid in smuggling his messages back and forth. He is reported to be a man of great persuasive powers and charm of conversation, his earnestness and benign manner convincing many of the followers of the movement in this country that he was really the priest he seemed to be.

Only those men high in the councils of the Sinn Fein in this city knew the real identity of the organization's international postman.

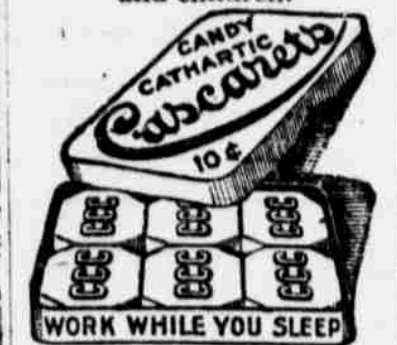

Information, verbal and documentary, obtained from Father Daly before he was sentenced in London, has been forwarded to the Federal officials here and will be used in rounding up New Yorkers who are said to be active in the plot for another uprising in Ireland next spring. Welch, the close-mouthed little Irishman who was taken from the White Star liner Celtic, where he was posing as a seaman, and looked up in the Tombs charged with being another postman for the Sinn Feiners, continues to thwart all efforts of the Government officials to draw him out.

A search of Welch's belongings, according to the authorities, has brought to light several letters, in all of which there are references to the New Yorkers named in the letter which Welch tried to destroy when he was arrested.

YOU'RE BILIOUS! CLEAN LIVER AND BOWELS TONIGHT

Don't stay headachy, sick, or have bad breath and sour stomach.

Wake up feeling fine! Best laxative for men, women and children.

Enjoy life! Remove the liver and bowel poison which is keeping you head dizzy, your tongue coated, breath offensive and stomach sour. Don't stay bilious, sick, headachy, constipated and full of cold. Why don't you get a box of Cathartic Candy from the drug store and eat one or two to-night and enjoy the nicest, gentlest liver and bowel cleansing you ever experienced. You will wake up feeling fit and fine. Cathartic Candy never grips or sickens like salts, pills and calomel. They act so gently that you hardly realize you have taken a cathartic. Mothers should give cross, sick, bilious or feverish children a whole Cathartic Candy any time—they act thoroughly and are harmless.—Adv.

Brave American Women Risk Their Lives Daily In Driving Ambulances on the Battle Fronts

When the shortage of men became acute in England thousands of British women volunteered to drive ambulances on the Western Front to permit the men in the service to join the fighting forces.

They have risked their lives daily in this dangerous work of succoring the wounded within the range of the German guns.

Many have been killed by bursting shells and many more have been decorated for bravery under fire. They have very often gone to the extreme front battle lines to remove badly wounded "Tommys."

American women are now nobly offering themselves for this humane but dangerous work. Following the example of their British sisters, several are already driving ambulances on various battle fronts.

THESE GROCERY STORES WILL GO TO CUSTOMERS

They Will Be Housed in Vehicles Like Moving Vans and Will Carry Full Lines.

ELIZABETH, N. J., Nov. 8.—Articles of incorporation have been filed here of a concern to build grocery stores that come to the customer. They will be housed in big vehicles like the ordinary moving van, with windows to light the inside.

Inside every inch will be utilized. There will be compartments or racks for everything the ordinary grocery store handles, including an ice box for butter and such things. The grocer, on stopping in front of the home of a customer, or at the back door, will be able to step through to the little counter at the rear, beyond which will be a space ample enough for a couple of persons to stand and buy.

While the movable grocery is primarily intended for country and suburban districts it can be used in more thickly settled sections.

\$35,000,000 DRIVE FOR Y. M. C. A. FUND STARTS SUNDAY

More Than 15,000 Cities and Towns Organized for Great War Effort.

The Nation-wide drive of the Y. M. C. A. for a war fund of \$35,000,000 will begin next Sunday, Nov. 11, and end at midnight, Nov. 19.

The Y. M. C. A. needs the money to carry on its work for the soldiers and war prisoners up to next July. It has enrolled 250,000 workers for the campaign.

Cleveland H. Dodge is Treasurer of the fund. Associated with him on a committee that will handle the New York City campaign, are George W. Perkins, Elbert H. Gary, H. C. Frick, Harold I. Pratt, W. A. Harriman, William M. Kingsley and a dozen others equally prominent.

Mr. Gary announced yesterday that the subsidiary companies of the United States Steel Corporation would subscribe \$500,000.

A letter from Mrs. Theodore Roosevelt Jr., describing a visit to some of the British Y. M. C. A. huts at the French front, was read yesterday by Mrs. Douglas Robinson at a meeting held in Mrs. E. H. Harriman's home by the Woman's Committee working on the Y. M. C. A. drive.

"I have just come back from the most interesting trip I have ever made in my life to see some of the British Y. M. C. A. huts," Mrs. Roosevelt wrote.

Mrs. Roosevelt and her two women companions were called upon to speak. "My knees knocking together as I spoke," she wrote.

Of another but the party visited, Mrs. Roosevelt said: "When the Y. M. C. A. man announced, 'We have another lady here you will want to hear—the daughter of an ex-President of the United States—Theodore Roosevelt's daughter—impulse was to rush through the door. However, I walked to the front of the stage and there was applause and cheers. They kept it up, and so I had a chance to look out on those smiling faces, and then I said to them:

"I do wish you could know how disappointed my father-in-law is at this moment because, although his four sons are over here, he is obliged to stay at home."

"They gave three cheers for the American ladies, and then one more, and then they gave three cheers for 'Teddy Roosevelt.' I thought they would raise the roof. At this moment the lights went out and suddenly the entire audience rose and began to sing 'The Swanee River' as a tribute to me."

By virtue of proclamations issued by the Governors of several States, next Sunday will be known as "Army Y. M. C. A. Day," and in thousands of pulpits the story of the Association's work in creating homes for our soldiers "clean up to the firing line in France" will be told. On Monday the real campaign will start in every State of the Union.

Fifteen thousand cities and towns are organized, and it is predicted by the leaders of the movement that the grand total of subscriptions will exceed not merely \$35,000,000, but \$50,000,000, if not more. In thousands of cities outside of New York the workers will meet every day at a "campaign luncheon." In other towns they will get together every night at a "campaign supper." Every luncheon and supper is relied upon to put fresh power into the drive.

Labor Squarely Behind Wilson, Says Federation Secretary.

BUFFALO, N. Y., Nov. 8.—Frank Morrison, Secretary of the American Federation of Labor which opens its annual convention here on Monday, said to-day the organization stands squarely behind President Wilson in the present national crisis.
